## YHB Welcomes Two Directors

---

Winchester, VA (September 12, 2023) — The shareholders of YHB have voted to promote Stephen Weber and Nicholas Preusch to Directors effective September 1<sup>st</sup>, 2023.

"We're pleased to elevate Stephen and Nicholas to the newly created Director position at YHB," announces Tom Milburn, CEO of YHB. "This role not only distinguishes itself within our organization and the wider market, but also thrives on their specialized certifications, professional adeptness, and remarkable leadership. Their track record at YHB speaks volumes about their capabilities, and I'm confident they'll amplify their industry-leading skills as they step into these pivotal leadership roles."

Since joining YHB in 2020, Nicholas boasts over 15 years of industry experience. With an academic foundation including a Masters in Accounting, a JD, and an LLM in taxation, his technical proficiency is extensive. Adding to his expertise is his tenure at the IRS and specialization in intricate tax compliance issues. Nicholas has become a sought-after national lecturer solidifying his stature as a seasoned authority in taxation and financial strategy within the YHB community.

"I'm truly honored to step into the role of Director at YHB. This opportunity to further contribute to our clients' success and lead alongside exceptional colleagues is incredibly exciting," said Preusch.

Stephen, an integral part of YHB since 2018, specializes in IT Audit and Advisory Services. His extensive background covers internal and external IT Audit services for Financial Institutions and Fortune 500 companies. He regularly travels around the world performing SOC Audits. His tenure as an instructor at Virginia Commonwealth University highlights his commitment to advancing technology-related courses in the Accounting industry. Stephen's qualifications are solidified by his MBA from the University of Richmond, Bachelors in Business Information Technology from Virginia Tech, and completion of ISACA's Certified Information Systems Auditor® and their Cybersecurity Audit Certificate Program.

"Assuming the Director position at YHB is an exciting step forward," said Weber, "I am grateful to take on this additional responsibility and for YHB to recognize the value technology is bringing to organizations."

Both Stephen and Nicholas will continue to work with their clients through the Capital Region and Internationally.
